SAUSHED *500*™

Designed for
low cost
inkjet printing.

Overview

18mm

High Resolution Coding & Marking
1 to 8 lines of print, maximum 18mm print height.

Stand Alone Printer
Use a USB stick to transfer print messages from Sauven **Pro** software.

PC Connectivity
Via USB cable or Ethernet for direct message creation or factory network system.

ABC DEF

True Type Fonts & Unicode
Enables message creation in any font and in any language.

JPEG BMP

Graphics, Logos & Barcodes
Easily import JPEG & BMP graphics using Sauven **Pro** software.

Large Oil Based Ink Cartridge
Low cost coding and clean inking system, ideal for printing onto porous surfaces.

Simple Screen & Keyboard
For local control of printer width, direction and message delay.

Multi Port Connection
For encoders, external alarms and alternative product detection devices.

Out of the Box Installation
With minimal components for maximum reliability.

AA

Ink Saver Mode
Reduce ink consumption by up to 50%.

Smart thinking: *Smart printing*

SAUSHED
SMART THINKING: SMART PRINTING

Sauven **Pro5**software™

- Simple interactive Windows programming
- Unlimited message storage
- Ink saver print mode
- Uses True Type font & Unicode
- Imports JPEG & BMP logos
- Multi language support

Specification

SAUSHED **500**™

Features

- 1 to 8 lines of print
- 18mm total print height
- High resolution piezo print head
- Prints text, graphics, logos and barcodes
- Prints time and multiple date formats
- Continuous repeat print capability
- 100m/min print speed (30m/min for bar codes & 3mm text)
- Single start /stop print button
- Visual alarm indicator including ink low
- Message width, delay and print direction control
- Built in product detection photocell
- Weight 1.7kg (excluding ink cartridge and brackets)
- Size 242 x 178 x 90mm

Connectivity

- USB-A memory stick included
- USB-B
- Ethernet (optional)
- I/O port for encoder, alarm beacon and external photocells

Ink

- Sealed replaceable ink cartridge (up to 15 million characters)
- Oil based inks for porous surfaces
- Various colours

Electrical

- 90-260VAC to 24VDC power supply included
